I started my journey with Greenheck Group as an HRBP Intern in the summer of 2022, joined full-time as an HRBP I in 2023, and I'm excited to now continue growing with the company as an HRBP II. Throughout my time at Greenheck, I've truly valued being part of a culture that lives its values, invests in its people, and continually looks for ways to give back to and support our team members. I'm grateful for the experiences, relationships, and opportunities that have helped me grow along the way, and I look forward to what's ahead!
